**Centre Youville Centre**

## For Immediate Release

### **Russell Mills and Antoine Paquin Donate to Executives on Auction With Proceeds Going to Youville Centre**

Ottawa, March 28, 2002: Russell Mills and Antoine Paquin have designated Youville Centre as the beneficiary for their participation in Executives on Auction.

Executives on Auction is a great way of recognizing Youville Centre's contribution to the community. Executives on Auction places mainly high tech execs on auction for charity, with the winning bid going completely to charity. The winning bidder meets for quality time with the executive at one of the sponsored venues - the NAC, a Senators game, golf, kayaking or dinner. Each meeting is held at a mutually convenient time for the bidder and executive and can be rescheduled due to our flexible format.

When Youville's Executive Director was asked how she felt about this generous donation, Sister Maco Cassetta said "it is wonderful because Mr. Mills and Mr. Paquin are business leaders stressing the business benefits of networking for successful charities. We are very thankful to Russell Mills and Antoine Paquin."

Youville Centre provides an accredited high school education to high-risk teen parents, child development programming for their children and social and housing support services to current and alumnae students. We strive to provide an environment for young parents and their children so that they establish self-worth, self-confidence and the skills required to become self-reliant members of our communities.

"Youville is an innovative Centre that motivates, educates, and nurtures young mothers and their children to become contributing members of society and we are very pleased to continue to be recognized for the successful outcomes that our program encourages."
